David,

We will be implementing a traffic control plan and road closures to limit unauthorized access during our operations.

Thanks,

Mark Arnold

Jessica,

Is there controlled access along the forest service road adjacent to the well pad? If not, I will place the following COA on the Form 2A: **“Operator will prevent uncontrolled public access during drilling and completion activities.”** My review is complete and I will be passing the OGLA task on the Form 2A today.

If you have any questions, please do not hesitate to call me at [\(970\) 309-2514](tel:9703092514) (cell), or email.

Thanks.

Dave

Hi Dave,

I just wanted to follow up from last week and make sure you had everything you needed.

Thanks,
Jessica

Jessica,

I am working this Form 2A today. I was hoping to get the Federal APD packages for the two wells (left a voice mail with Mark Arnold today). Do you have them? Has BLM/FS approved the APDs? The more information I have on these, the better the chance to move these permits along.

If you have any questions, please do not hesitate to call me at [\(970\) 309-2514](tel:970-309-2514) (cell), or email.
Thanks.

Dave

Hi Dave,

Just checking in on the Wolf Creek 2A, Document #[401943016](#). I got notification that Pitkin County has approved their application so I was curious on COGCC's status.

Thanks,
Jessica
