**General Comment:**

COGCC Inspection 689802617 Report Summary  
On Thursday, 05/02/2019, at approximately 11:00, I, Inspector Emily Waldron, conducted a field inspection at EOG Y Resources Inc Landing Strip Federal 1, at API 05-081-07328 in Moffat County, Colorado.  
During this inspection the following possible compliance issues were observed:  
Stormwater Management - Sediment entering and leaving location. Stormwater BMPs have not been maintained and have become debris. Large erosion gully leaving location at southwest corner. Ditch below location at this gully is full of sediment and sediment is overflowing and leaving the ditch and location. Sediment entering location on the northwest side where wattles have become debris and no other BMPs were observed. See photos 2-8.  
Install or repair required BMPs per Rule 1002.f, by 5/17/2019.  
Form 10 document number 2304077, submitted 1/23/2019, On Hold to transfer from EOG Y Resources Inc. to Southland Royalty Company, LLC.  
A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection 689802617 report.
