<p>COGCC Inspection Report Summary                      On (Wednesday) (Date format05/01/2019) at approximately (1150 hours), I, Inspector Dougo Wentzel, conducted a ( field ) inspection at (Laramie) (Horseshoe Canyon #5 API #077-08230, in (Mesa) Colorado.                      While there, I observed an on going production location.                      During this inspection the following possible compliance issues were observed:                      Compliance issues observed                      Storage of land owners stored cars and equipment                      Storage of unused equipment                      (Refer COGCC Rules for Corrective Action 603F for comments, corrective actions, and corrective action dates). Refer to photograph of observed compliance issue.                      A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. (if corrective actions are identified).                      This is a summary of inspection report.</p>	wentzeld	05/01/2019
