Comment:

This Form 5 is being submitted in response to a July 26, 2018 data request for a new Drilling Completion Report for wells that have not had one filed since 1999.

There are no cementing tickets available for this well.

CIG does not have a copy of the Temperature Survey (07/01/62) run by the original operator.

The current COGIS well status for this well is "PA". The COGIS well status should be changed to "AC".

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
