Re: Intention to drill # 1 Ripple well  
in the Nw/4 of Sec. 5-9N-69W in  
Larimer County, Colorado

Dear Sir:

We wrote you on March 24, regarding a \$2500. bond that we must have to release the intention we are holding in our office.

To date we have not heard or received a bond to cover this well. We must have this bond as soon as possible.

It is required that all operators adhere to our rules and regulations.

Sincerely,

D.V. Rogers, Petroleum Engineer.
