---	--	---

14. DESCRIBE PROPOSED OR COMPLETED OPERATIONS ON THIS FORM (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent)

15. DATE OF WORK _____

Additional perforations were made and a squeeze job was performed. No additional production was obtained. At a rate of 1-2 bbls. per day of production, the well is uneconomic to produce. We intend to run a geochemical survey to be conducted in the near future. Further exploration may be warranted then.

STATUS REPORT REQUIRED EVERY 6 MONTHS ON SHUT-IN & TEMPORARILY ABANDONED WELLS.

16. I hereby certify that the foregoing is true and correct
