<p>Inspection due to a complaint. At time of inspection Sediment from Monaco st is being carried on to HWY 7. Tracking pads at entrance to well site and production facility are impacted with sediment and are in need of maintenance. See attached photos. Stated below are some of the provisions that apply to the permit with Adams County:</p> <p>4. The access road to this site shall be outfitted with a vehicle tracking pad.</p> <p>5. The applicant shall be responsible for all required maintenance of Monaco Street from the site entrance to Highway 7 throughout the life of the wells. It should be noted that this segment of Monaco Street is not a publicly maintained right-of-way. In addition, the following provisions apply to this permit:</p> <p>a. The applicant shall maintain the baseline condition of the road as established in Condition Precedent #6 at all times.</p> <p>b. The applicant shall be fully responsible for the maintenance of Monaco Street to access their site approximately 1,000 feet south of Highway 7 during adverse weather.</p> <p>c. The applicant shall respond to any complaints from the public regarding the condition of Monaco Street from Highway 7 to the site access within 24 hours and shall provide a written resolution to the complaint to Adams County staff.</p> <p>d. If any trucks serving this site utilize any other route different from the approved traffic route, the applicant shall be responsible for any damage to other segments of roads caused by this activity.</p> <p>6. The applicant shall be responsible for the cleanliness and safety of all roadways adjacent to this site. If at any time, Adams County Staff determines these roadways to be dangerous or not passable due to debris or mud, the applicant will cease use of the roadways until the roadway conditions have improved and are deemed acceptable by the County. If the contractor/applicant fails to keep the adjacent roadways clean and free from debris, Adams County has the option to complete the required clean up and bill the charges directly to the applicant, Great Western</p>	silverr	06/05/2019
