<p><a href="#">COGCC Inspection Report Summary</a>                      On Tuesday June 4, 2019 at approximately 0953hrs, I Randy Silver, conducted an on-site inspection at a KP Kauffman site Greely National Bank B#3, at API # 05-12-07877 in Weld County Colorado.                      While there, I observed a Well site.                      During this inspection the following possible compliance issues were observed:                      Sign not legible: Rule 210e Corrective action date of 6-2-19                      This is a follow up inspection per doc#688402091 at time of inspection Corrective action had not been addressed.                      Weather conditions: Clear and sunny location and road are muddy inspots.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	06/04/2019
