RE: Kinder Morgan CO2 Company, L.P.
Rule 523.e. Voluntary Self Disclosure – Twelfth Quarterly Report

Dear Mr. Deranleau:

Kinder Morgan CO2 Company, L.P. ("Kinder Morgan") (Operator No. 46685) hereby provides the Colorado Oil and Gas Conservation Commission ("COGCC" or "Commission") with this twelfth quarterly status report to its Rule 523.e. voluntary self-disclosure made on February 17, 2016. This twelfth quarterly status report follows eleven prior quarterly status reports from June 30, 2016 to December 20, 2018, and summarizes the current path forward with respect to certain drilling pits located in Montezuma and Dolores Counties, Colorado, subject to pending future variance requests. The attached table labeled "Exhibit A – March 2019 Status Table" provides a summary of the status of the subject pits as of this twelfth quarterly status report.

As we discussed in our meeting with the COGCC and the CDPHE on November 9, 2018, and confirmed by you via email on January 22, 2019, Kinder Morgan, the COGCC and the CDPHE have agreed to a path forward with respect to the subject pit locations. The closure plan for each pit is summarized on the attached Exhibit A.

Kinder Morgan looks forward to working with you and COGCC Staff to bring these sites to final closure. We would like to reiterate our appreciation for your time and efforts on this matter. As Kinder Morgan works with you and COGCC Staff with respect to the revised variance requests, Kinder Morgan will submit its thirteenth quarterly report, if necessary, on or before June 28, 2019, and will supplement this report with additional information if needed. If at any time you or the COGCC Staff has questions or would like additional detail on any item, please let me know by contacting me at 713-369-9113 or ken_havens@kindermorgan.com.

Sincerely,
