<p>COGCC Inspection Report Summary On Thursday, June 6, 2019 at approximately 12:50, I, Inspector Brittani Santistevan, conducted an on-site inspection at HSR-CROISSANT BATTERY (Kerr McGee), at location #: 330730 in WELD COUNTY Colorado. While there, I observed a shut in location. During this inspection the following possible compliance issues were observed: 1. Erosion to north side of location in between ECD and separator. Also north (behind) berm to tank battery. INSTALL OR REPAIR REQUIRED BMPs PER RULE 1002.F. (Corrective Action Date: July 6, 2019) See attached photo's #2,3.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p> <p>Continuing Education Inspection.</p>	santistb	06/06/2019
