OPERATOR COMMENT

With COGCC approval, Wesco plans to start the reclamation process that was stated in previously approved document #402035721, on the 8th of July. COGCC had previously indicated that work would need to commence on or before 7/1/2019, however with excessive amounts of rain and scheduling delays, Wesco has set a date of July 8, 2019 for reclamation work to begin and has contractors scheduled for that date. This document is a request to COGCC for an extension of time and for the approval of a starting date of July 8, 2019.

I hereby certify all statements made in this form are to the best of my knowledge true, correct, and complete.
