Mr. Morris Bell
COLORADO OIL & GAS
CONSERVATION COMMISSION
1120 Lincoln Street, Suite 801
Denver, CO 80203

Dear Mr. Bell:

Attached is Patina Oil & Gas Corporation's shut-in wells mid-year 1997 update. As you can see, we have returned ten wells to production, sold four wells and plugged nine wells for a total of twenty-three. Some of the follow up paperwork for these wells is still being prepared and will be forwarded to you upon completion. Please call if you have comments or questions.

Sincerely,

Scott J. Reasoner
Lead Operations Engineer
