Dear Sir; I am writing concerning an oil test which was drilled on our farm west of Wellington Colorado. If possible, I'd like to have a log of this test.

The land description ~~of the~~ is as follows:
S E. $\frac{1}{4}$ of 30-9-68 Larimer County Colo
and the test was placed on the SW $\frac{1}{4}$
of this land.

May I hear from you about
this matter?

yours truly.

P.S. The test was drilled during December of
1955 and January of 1956.
