General Comment:**COGCC Inspection Report 689802851 Summary**

On Tuesday 6/1/2019 at approximately 11:15, I, Inspector Emily Waldron, conducted a field inspection at Antler Energy LLC Pole Gulch 6 at 05-081-06023 in Moffat County Colorado.

While there, I observed a shut-in well.

During this inspection the following possible compliance issues were observed:

Annual weeds around wellhead, see photo 2. Comply with Rule 603.f, by 7/9/2019.

Produced volumes are required to be reported accurately from the wellhead meter every month, and the form 7 reporting does not reflect that accurate measurement. Submit required Form 7(s) to COGCC per rule 309, please contact Teri Ikenouye (production supervisor) to discuss reporting parameters by 8/16/2018.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report 689802851.
