General Comment:**COGCC Inspection Report 689802857 Summary**

On Monday 6/03/2019 at approximately 11:50, I, Inspector Emily Waldron, conducted a field inspection at Sandridge Exploration & Production LLC Shiras CTB S11, at 451937 in Jackson County Colorado.

While there, I observed Production.

During this inspection the following possible compliance issues were observed:

All stormwater BMPs need maintenance. Install or repair required BMPs per Rule 1002.f by 8/2/2019.

Non-reportable spill - stained soil at generator and trash at generator. See photo 2. Control and contain spills/releases and clean up per Rule 906.a and comply with Rule 603.f by 8/2/2019.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report 689802857.
