To Whom It Concerns**Re: Ruth Pittenger**

Attached you will find a copy of a bond for oil and gas drilling that has been in effect since 1969 for Ruth Pittenger. She wishes to cancel this bond as she feels it is not needed. The State of Colorado is listed as the obligee on this. It requires a letter from the obligee stating that it is alright to cancel this bond. As it has to do with the oil and gas field, I thought this would be a good place to start. Could you please let us know if this is the right department to deal with. If so, we need a letter from you stating it is alright to cancel this bond and give a date of your approval per the attached letter from Western Surety. I can be reached at (970) 625-1689. Thank you.
