Dear Mr. Coupey:

As I informed your wife this morning, by 'phone, we have not as yet received a Designation of Agent for your operations in the State, and we would encourage you to fill out one of the enclosed forms and return to us at your earliest opportunity.

Secondly, permit to drill the #2 Texaco-State well located in the SE SW, Section 2, Township 9 North, Range 78 West, Canadian River field, Jackson County, Colorado, was granted August 18. We would appreciate being advised of the current status.

Very truly yours,
