Corrective Action: Comply with Rule 603.f. Ongoing weed management and monitoring is required, and needs to occur in accordance to COGCC rules and regulations. Date: 05/25/2019

Response: CA COMPLETED Date of Completion: 07/18/2019

Operator Comment: This wellsite is in pasture that is maintained by the surface owner. PCR has completed mowing the site and has requested weed management control which will completed within the next few days.

COGCC Decision: Approved pending re-inspection

COGCC Representative: Approved pending re-inspection of this FIR resolution acknowledges the document was received. It is not an acknowledgement that the corrective action has been passed. Operator has provided no documentation attached to this resolution to show work has been conducted per corrective action(s). A field inspection will be conducted at a future date to evaluate compliance with COGCC rules.

The well site is an industrial oil and gas location subject to COGCC regulations. It is the operator's responsibility that the location is managed in accordance with COGCC rules, not the surface owner.
