

Fwd: Clarification of Well Bores and Thuringer 1-5 Well Status

**Weems - DNR, Mark** <mark.weems@state.co.us>

10:59 AM (2 hours ago) ☆

to XTO-Mike, Dave, Steve, Dennis, Romanchock, Andrew

As per our conversation on the phone this morning, here is the plan forward we agreed upon:

**Thuringer 1-5**

**067-05160**

MIT by June 30th

Submit Directional Data Template by June 2nd complete with revised eform 5-Drilling Completion Report

**Anderson 1R**

**067-08746**

Submit Directional Data Template by June 2nd complete with revised eform 5s-Drilling Completion Reports for all directional well bores.

**Anderson 32-6-5 #1**

**067-08084**

Submit form 6-Notice of Intent (NOI) to re-PA by June 30th and PA by Sept 30th complete with PA written procedure along w/ before and after well bore diagrams (WBDS)

Thanks a bunch...
