<p>COGCC Inspection Report Summary On Wednesday, July 24, 2019 at approximately 14:40, I, Inspector Brittani Santistevan, conducted an on-site inspection at LEFFLER 1i-HZ PAD (PDC Energy), at location #: 425284 in WELD COUNTY Colorado. While there, I observed a shut in location. During this inspection the following possible compliance issues were observed: 1. All labeling (BBLs, NFPA Placard, Operator info) is placed on wrong side of tanks and not visible to view of outside of berm. INSTALL SIGN TO COMPLY WITH RULE 210.D. (Corrective Action Date: August 24, 2019) See attached photo #2,3,4. 2. Unused equipment/storage of supplies/trash in both south and north heater treator houses. COMPLY WITH RULE 603.F. (Corrective Action Date: August 24, 2019) See attached photo #7,9.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p> <p>Continuing Education Inspection.</p>	santistb	07/24/2019
