<p><a href="#">COGCC Inspection Report Summary</a>                      On Tuesday 7/23/19 at approximately 10:30 AM, I, Inspector Scott Ramsey, conducted a routine field inspection at Laramie Johnson 19-08 Pad, at Location # 335195 in Garfield County, Colorado.                      While there, I observed normal production operations.                      During this inspection the following possible compliance issues were observed:                      TEP is on all signage and our data base says that this is a Laramie Pad.</p> <p>Refer to photograph of observed compliance issue.</p> <p>A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. (if corrective actions are identified).                      This is a summary of inspection report.</p>	ramseys	07/23/2019
