<p><a href="#">COGCC Inspection Report Summary</a>                      On Friday 7/26/19 at approximately 1:30 PM, I, Inspector Scott Ramsey, conducted a follow up inspection at Caerus Shidler H6 Pad, at location # 334344 in Garfield County, Colorado. While there, I observed normal production operations. During this inspection the following possible compliance issues were observed:                      Well head is missing signage.                      Refer to photograph of observed compliance issue.</p> <p>A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. (if corrective actions are identified).                      This is a summary of inspection report.</p>	ramseys	07/26/2019
