<p>COGCC Inspection Report Summary</p> <p>On Tuesday 7/30/19 at approximately 12:30 PM, I, Inspector Scott Ramsey, conducted a follow up inspection at TEP RU 44-7, at location #439173 in Garfield County, Colorado. While there, I observed normal production operations. C/A from last inspection looked to be satisfied.</p> <p>During this inspection the following possible compliance issues were observed:</p> <p>Some old insulation in the tank battery.</p> <p>And a chemical tank at the wells unmarked.</p> <p>Refer to photograph of observed compliance issue.</p> <p>A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. (if corrective actions are identified).</p> <p>This is a summary of inspection report.</p>	ramseys	07/30/2019
