<p><a href="#">COGCC Inspection Report Summary</a>                      On Tuesday 7/30/19 at approximately 1:00 PM, I, Inspector Scott Ramsey, conducted a Routine inspection at TEP/Laramie Beaver Creek Ranch 8-13 Pad, at location # 414294 in Garfield County, Colorado.                      While there, I observed normal production operations.                      During this inspection the following possible compliance issues were observed:                      Signage is all marked as TEP data base has Laramie as operator.                      Refer to photograph of observed compliance issue.</p> <p>A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. (if corrective actions are identified).                      This is a summary of inspection report.</p>	ramseys	07/31/2019
