Pit Status Determination

Updated Pit Status: Closed

Pit Status Date:

Timing of Pit Closure:

Final removal of fiberglass produced water tanks documented in 3/25/19 inspection.

Pit Status Review Summary:

Based on records review there is no evidence that there was a pit on location; inspection reports document a fiberglass produced water tank on location. This facility was decommissioned as part of the orphan well program March 2019 (shared battery, inspections found with well API 001-09363). Pit status has been changed to closed.
