<p><b>COGCC Inspection Report Summary</b>                      On Tuesday, August 20, 2019 at approximately 15:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at BRIGGS PAD (SRC Energy), at location #: 323660 in WELD COUNTY Colorado.                      While there, I observed plugged and abandoned location.                      During this inspection the following possible compliance issues were observed:                      1. Unused gas meter house left where tank battery resided. All other equipment has been removed since wellhead has been plugged and abandoned. COMPLY WITH RULE 603.F. (Corrective Action Date: November, 20, 2019) See attached photos #1,2.                       A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p> <p>Continuing Education Inspection.</p>	santistb	08/20/2019
