<p><b>COGCC Inspection Report Summary</b>                      On Wednesday August 21, 2019 at approximately 11:54 AM I, Inspector Randy Silver, conducted an on-site inspection at a KP Kauffman site Rocky Mountain Fuel Co #1, at API #05-123-09576 in Weld County Colorado.                      While there, I observed a SI well site                      During this inspection the following possible compliance issues were observed:                      Weeds: Rule 603 f Corrective action date 9/21/19 see photo 3 &amp; 4                      Mechanical Issue: Rule 605 d Corrective action date 9/21/19 see photo 3                      At time of inspection observed weed around pumping unit on location and around electrical panel. Observed pumping unit electrical motor has been removed and belts laying on ground.                      Weather conditions: Clear and location dry                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	08/21/2019
