**General Comment:**

This is a follow-up good housekeeping inspection.

On 8/16/2019, Reclamation Specialist Trujillo conducted an inspection at Noble's Peterson PC LG 19-06 location #422755 in Weld County, Colorado.

This inspection is a follow-up inspection to #696200360 dated 7/8/2019, and #696200564 dated 8/08/2019 to document compliance for the following corrective actions:

603.f: Noxious weed management

During this inspection, it was observed that the Operator has failed to conduct sufficient noxious weed management in an appropriate time frame to prevent seed dispersal from mature plants, and the possible spread of Canada Thistle along the access road and adjacent lands.

Refer to the Good Housekeeping section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This location is being referred for enforcement.
