W. W. Jones
Cleary Petroleum, Inc.
310 Kermac Building
Oklahoma City, Oklahoma

Dear Mr. Jones:

Mr. Bill Smith, with the Colorado Oil and Gas Conservation Commission, called me yesterday stating that he had received your intention to deepen the Hoffman well but you failed to enclose your check in the amount of \$75.00 for the drilling permit and also they need your performance bond. I thought I would bring this to your attention in the event you have overlooked same.

Very truly yours,

L & F DRILLING, INC.
