Attention: Mr. Dale Schachtler

Gentlemen:

Receipt of your completion report on the Bailey #1 well is hereby acknowledged.

We also appreciate your sending in the Form 10's; however, since there is no transporter, we do not feel that approval of this form is in order. We are returning all three copies of the Form 10, and would like to remind you that this form should be again submitted when a market develops and a transporter becomes available.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
