<p><a href="#">COGCC Inspection Report Summary</a>                      On Tuesday 8/28/2019 at approximately 13:00 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Extraction Oil &amp; Gas HFE 22 Pad location #429132 in Weld County Colorado.                      While there, I observed that there were various unused equipment being stored on location, stained soil and miscellaneous trash on location. During this inspection the following possible compliance issues were observed: Rule 603.f. and Rule 907.e. with a corrective action date of 9/30/2019.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	08/28/2019
