Mr. Wm R. Smith Deputy Director
Room 312, State Services Bldg.

Dear Bill:

Please excuse the delay on the plats. I was forced to be gone for awhile and just got back.

I will have Mr. Urquhart fix up the reports on his return next week and I believe Jan and I will just let him take care of the whole thing. He seems very efficient -

My regards to the other boys in your office, and may I take this opportunity to express my appreciation for your courtesy and hospitality on my visit to Denver

yours very truly,
Paul Moran Sr.
