<p>COGCC Inspection Report Summary            On Friday 9/6/19 at approximately 1230 hrs., I, Inspector Robbie Revas,            Conducted an on-site inspection at the Tula 12-10HZ Kerr McGee, at            API # 05-123-49319 in Weld County Colorado.            While there, I observed Drilling Operation.            During this inspection no compliance issues were observed:            BOP test appeared to have passed, Chemical storage appeared to within containment.            Overall location appeared to be in compliance with COGCC rules            See attached photos.            Location is dry, weather is clear.            I spoke with Joe Wallem Company Man Kerr McGee and he updated me on operations at            time of inspection which was running production Csg. at 6,900. They reached TD at            16,153'.            Routine inspection.            Continuing education COGCC Inspection Report Summary.</p>	revasr	09/06/2019
