<p>COGCC Inspection Report Summary                      On Tuesday September 10, 2019 at approximately 0858 hrs, I, Inspector Adam Burns, conducted an on-site inspection at Sledge C 9-29 of Noble Energy, at Location# 309877 in Weld County, Colorado.                      While there, I observed Production                      During this inspection the following possible compliance issues were observed:                      East Pit is missing the capacity sticker. Install sign to comply with Rule 210.d. With a Corrective date of 10/22/19                      See attached photo # 4.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.                      Continuing education inspections</p>	burnsa	09/10/2019
