Section 32: N/2 N/2
Weld County, Colorado

Proposed Wellbore Unit (Containing 160 Acres, more or less):

Dear Mr. Jeff Robbins:

HighPoint is planning to drill the captioned boundary well in accordance with the provisions of COGCC 318A.e.

HighPoint's wellbore spacing unit consists of Section 32: N/2 N/2, creating the above referenced spacing unit in which we will target the Niobrara formation. I certify that all of the owners within the proposed wellbore spacing unit were noticed and no objections were received.

Enclosed is a copy of the following document to assist you in your review and approval of HighPoint's proposed changes for the captioned well.

- Plat illustrating the proposed wellbore spacing unit on existing location plat

Thank you for your attention to the enclosed. HighPoint's respectfully requests that the COGCC review the enclosed information and approve the proposed changes for the captioned well.

If you have any questions, please contact me at 303-312-8188.
