Gentlemen:

This is being written with reference to the intention to drill the No. 1 Knutson well located in the SW/4 SW/4, Section 8, Township 9 North, Range 54 West.

We have decided that on the first well you will be required to post a \$2500 surety bond. If you have plans for future drilling, please submit a financial statement for consideration in giving a waiver of the bonding requirements.

Enclosed are the intention to drill forms and bond forms. Please sign the intention to drill forms and return them.

You are given approval to drill the well sending the receipt of the bond and the intention forms signed.

Very truly yours,
