**General Comment:**

On 10/9/2019, Reclamation Specialist Trujillo conducted a follow-up good housekeeping and stormwater inspection at Fritzier Resources' West Fork Unit #17 location in Washington County, Colorado.

This inspection is a follow-up to doc. #682504275 dated 12/12/2018, #682504725 dated 4/12/2019, #696200088 dated 5/20/2019, and #696200457 dated 7/19/2019

This inspection is to document compliance for the following corrective actions:  
 603.f: Remove equipment not needed for production activities stored on pad and interim areas by 3/13/2019  
 1002.f: Remove and properly store, or place barrel into secondary containment by 1/13/2019

It was documented that equipment not needed for production activities remains stored on pad; barrel containing chemical has not been removed or placed into secondary containment.

Refer to the "Reclamation" and "Stormwater" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

**Storm Water:**

Loc Erosion BMPs	BMP Maintenance	Lease Road Erosion BMPs	Lease BMP Maintenance	Chemical BMPs	Chemical BMP Maintenance	Comment
				Material Handling And Spill Prevention	Fail	Blue Barrel out of containment

Comment: Previous inspections documented and required operator to comply with Rules 1002.f and remove and properly store a blue barrel containing hazardous chemical, or place into secondary containment.

It was observed in this inspection that Operator has not removed barrel or placed barrel into secondary containment. Additionally, a blue bucket with unknown contents was observed on its side, adjacent to the barrel.

Operator has failed to comply with 1002.f(2).B, proper materials management, and corrective actions. Original corrective action and date remains applicable.

Due to the significant nature, extent, or duration of this alleged rule violation, this location is being referred for enforcement.

Corrective Action: **Comply with 1002.f and remove and properly store barrel, or install BMPs**

Date: 01/13/2019

**Pits:**  NO SURFACE INDICATION OF PIT
