Operator Comment: 2 professional created weed plans have been submitted per Mr. Costas guideline and recommendation. The first one submitted was created by Les Dhaseleer, Environmental Specialist for Vermejo Park Ranch. The second plan submitted was created by Mr. Johnnie Hamilton of Southeast Environmental Services, LLC. Mr. Hamilton was recommended by Bob Lucero Las Animas county weed inspector. If the second plan is not approved I will need very specific details as to what else the COGCC is looking for. I forwarded the communications that Mr. Costa and I had in regards to the plan so the second plan could be completed per his guidance as Rule 1003.f. contains 5 sentences in regards to what the COGCC wants.
