of the State of Colorado \$2500 Oil & Gas
Well Plugging Bond

Dear Mr. McIntyre:

This is in reply to your letter of August 12 with
reference to the above described bond.

We have checked the file on this well and find
that we have received notice of intention to abandon, but have not
received our log form. Three copies are enclosed, and when completed
and returned to this office, bond can be released.

Sincerely yours,

A.J. Jersin, Deputy Director
