General Comment:

This is a Final Reclamation Inspection; a Follow Up to Insp Doc#680102529 Dated 12/20/2017. Operator reported that they would no longer be requesting a waiver of Final Reclamation for Location Use as Man Camp, Staging Laydown Yard; but would be reclaiming site for Final Reclamation. Inspection was conducted to Document implementation and progress of Final Reclamation at Location.

In previous RI Insp: Site was Out of Compliance; as Well was PA in 1990 & Location had not been Reclaimed. Requested Updated 502b Variance Request had not been Submitted. Location is currently IN COMPLIANCE as Final Reclamation has been installed.
