<p><b>COGCC Inspection Report Summary</b>                      On Tuesday November 5, 2019 at approximately 0800, I, Inspector Adam Burns, Conducted a follow up inspection to document #699100188 at Tank Battery # 446973 of Noble Energy, at Facility # 466250 in Weld, county Colorado.                      While there, I observed production                      During this inspection the following possible compliance issues were observed:                      Mangled Berm in the SE Corner, Repair or install berms or other secondary containment devices per Rule 906.d.(1).                      Corrective action date of 10/21/19.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.                      Continuing education inspections</p>	burnsa	11/05/2019
