Attention: Mr. W. H. Tyler

Gentlemen:

From your letter of September 14, 1964, it would appear that the No. 2 Lauer well located NE NW, Sec. 12, T-7N, R-59W, is not productive; however, it also appears that it may be some time before the well is formally approved for abandonment and abandoned.

Will you please make arrangements to post the \$2500 bond previously requested if the well is not to be abandoned prior to October 10, 1964.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith, Deputy Director
