September 21, 1964

Mr. J. Willard Greer
Court House Building
Halifax, Virginia

Dear Mr. Greer:

Your letter of September 18, regarding the Houser #2 H. D. Lauer well located in the NE NW, Section 12, Township 7 North, Range 59 West, is hereby acknowledged.

We were advised on September 14, 1964, by Mr. W. H. Tyler, that the well was closed in and would be abandoned in the near future. We, subsequently, reminded Mr. Tyler to obtain approval before abandoning and that unless the well was abandoned by October 10, 1964, the bond posted by Allison, Inc., it would have to be replaced by one posted by Houser Drilling.

I hope this information will be of value and if we can be of further assistance please contact us.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO

William R. Smith, Deputy Director
