Dear Mr. Greer:

In response to your letter of November 16, 1964, regarding the Houser-Lauer well #2 located in the NE NW, Section 12, Township 7 North, Range 59 West, Weld County, Colorado, please be advised that the status is as before, since no production has been obtained.

There has been one significant change that I wish to call to your attention. Mr. Tyler advised that John T. Dixon would be operating the well for them and Mr. Dixon posted the \$2500 bond per our rules and regulations.

It is my understanding that the well may not produce but will probably not be abandoned for awhile. That is why we required Houser Drilling to post a bond.

If we can be of further assistance please advise.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO

---

William R. Smith, Deputy Director
