Re: Well No. 2 Lauer
C NE NW 12-7N-59W
Weld County, Colorado

Dear Mr. Dixon:

Since this well has become capable of commercial production. We have designated it as the discovery well for this area, and will be known as the Jade Field.

Please use this name on all future correspondence and reports. In addition the producing zone (pool) should be included on the monthly production report (OGCC Form 7) which is the "Timpas" for this well.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

Frank J. Piro, Sr. Petroleum Engineer
