206157	WELL	PA	12/11/2018	GW	009-06573	HARPER 1-20	RI

General Comment:

This is a reclamation inspection of the HARPER #1-20 well site which was plugged and abandoned on 12/11/2018. The location is not in compliance with the reclamation requirements. All equipment removal and reclamation should have been performed 3 months after abandonment. See attached photos and additional details within this report.

Operator is directed to perform corrective actions outlined on this inspection report immediately. This inspection is being entered for notification and documentation only and is not intended to provide the Operator the opportunity to resolve the alleged violations without the imposition of a penalty, pursuant to Rule 522.c.(1). Perform corrective actions immediately to avoid further enforcement and potential penalties.

COGCC Comments

Comment	User	Date
Establish vegetation with total perennial non-invasive plant cover of at least eighty (80) percent of pre-disturbance or reference area levels. Use a seed mixture that matches the adjacent CRP pastureland. Continue to monitor and manage this site until Final Reclamation has Passed.	CostaR	11/15/2019
