Gentlemen:

Our company is surety on the two captioned oil well plugging bonds, covering:

- Inf. Martin*
- (1) Victor O. Martin Well No. 3, Tow Creek Field,  
SW NW NE Sec. 19-6N-86W
  - (2) Quiett Well No. 1, Sec. 26-1S-92W, Rio Blanco  
County, Colorado

Principal has advised that these were dry wells and were plugged some time back. We will appreciate it if you will check your records, and if in order to do so, let us have a release on each of our bonds.

Yours very truly,
