COGCC Inspection Report Summary
 On Tuesday December 3, 2019 at approximately 12:23PM, I, Inspector Randy Silver, conducted an on-site inspection.
 Location: Morrison #15-1
 Operator: KP Kauffman
 API#: 05-001-09500
 County: Adams
 While there, I observed a well site
 During this inspection the following possible compliance issues were observed:
 Stained soil: Rule 907e Corrective action date of 10-23-19 See photo 1
 Well head sign: Rule 210 b Corrective action date of 11-9-19 See photos 1,2
 This is a follow up inspection per Doc#693501617. At time of inspection corrective actions due not appear to be addressed. Cannot see stained soil due to snow but not FIRR has been submitted and now well head sign has been installed.
 Weather conditions: Clear and location is muddy and has snow.
 A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
 This is a summary of inspection report.
