Gentlemen:

We have your letter of April 26, 1956, in which you request the cancellation of above captioned bond.

The Rules and Regulations of the Conservation Commission require that certain forms be filed with this office before a bond can be terminated. Forms 1 and 2 have not been received on this well.

For your convenience, we are attaching OGCC-Form 1 in duplicate, and OGCC-Form 2, in triplicate, and when these are completed by the Company concerned and received in this office we will then take the necessary steps to terminate this bond.

Yours very truly,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO
