COGCC Rules(check all that apply)

☐ 1101. Installation and Reclamation ☒ 1102. Operations, Maintenance, and Repair ☐ 1103. Abandonment

Comment:

This well is currently producing.
 The off location flowline (wellhead line) runs N-NE from location. The Muddy Unit South Battery is located approximately 1300 feet N-NE of the wellpad. Off location flowline(s) have not been registered with COGCC; Operator has not submitted a COGCC Form 44.

 Note: Operator has not registered any off location flowlines with COGCC; The Corrective Action outlined is applicable to all wells operated by Wellington Operating Co with off location flowlines.

Corrective Action:

Comply with the following COGCC rule:

 1101.a. Off-Location Flowline Registration. (1) An operator must register an off-location flowline constructed on or after May 1, 2018, by submitting a Flowline Report, Form 44, to the Director within 30 days after the flowline is placed into service. An off location flowline in existence prior to May 1, 2018, must be registered by October 31, 2019. An off-location flowline registered as part of a produced water transfer system is not subject to this requirement.
